Helping Lansing Area Homeless Families Help Themselves

December 20, 2017

Meridian Area Business Association
5 Apple Blossom Ln
Okemos, MI 48864

Dear Friends of Haven House,

Thank you for the grant you provided this year to improve our playroom for homeless children during their stay in shelter. More than three hundred kids use this playroom every year. The new cabinets will provide a place to store games, toys and arts & crafts supplies. The result will be much more space for the kids to enjoy playing and easier access to supplies for our playroom volunteers. This will be a huge improvement!

In addition, the creation of a new "reading nook" area will be big hit—especially since we have volunteers who come in every week specifically to conduct a story-time with the youth in shelter.

Homeless kids will have a much better experience here at Haven House thanks to your generosity. With an enriching environment for their kids, parents in our shelter will be able to better focus on their primary goal of securing permanent housing. Your improvements to our program are much appreciated by our families. Thank you once again for helping local homeless families during their time at Haven House. May the MABA members enjoy a happy and prosperous New Year.

Sincerely,

Angie Mayeaux
Executive Director
