Dear Jennifer,

Thank you for your generous support Lansing Art Gallery & Education Center! Your grant of \$750 will help greatly as we improve our physical space.

Please know that your generosity helps us to provide free, high-quality arts experiences and educational opportunities that highlight Michigan artists. We are actively working to increase exposure and accessibility to the visual arts for ALL people, and you are an important part of that work.

We share your passion for the arts, and we are truly grateful for your support as we strive to fulfill our mission to "provide public awareness, education, and enjoyment of the visual arts by promoting the works of Michigan artists."

Your contribution will help us continue the momentum to build our future!
